Hello Evergreen District!

Below is a list of coaches who have agreed to help Evergreen District with the new chorus coaching grant program.

Note: All coaches must be reimbursed for travel and accommodation, in addition to the indicated fee. Fees are provided for information purposes; chapters should negotiate their own agreements.

If you know a coach who you think should be on this list, please send their name and email address to education@evgdistrict.com, or have that coach contact us at that email address. All coaches are welcome.

We are especially seeking coaches from Alaska, Alberta, Idaho, Montana and Oregon to join us in our mission to bring good affordable coaching to every chorus in Evergreen District. Could that be you?
